Warmer Weather

The warmer weather is upon us so please could we remind you to supply sun cream and a sun hat for your child. If we could ask you to apply sun cream before your child comes in to nursery that would be much appreciated as applications can be very time consuming!

Reminders! (And information for new parents)

What to bring to nursery

When bringing your child/ren to nursery, please ensure you bring the following with you in a named nursery bag (fabric please, not a carrier/plastic bag);

- ✓ Plenty of spare changes of clothes - more if your child is toilet/potty training, trousers, tops, pants, socks and shoes. Where possible please ensure they are named so as they do not go missing
- ✓ Coat/wellies/sun hat. I know the weather can change at the drop of a hat at this time of year but please ensure your children are dressed appropriately and ready for all weathers
- ✓ Any nappy cream other than Sudocrem that your child may need
- ✓ Any long term medication (that is not kept at nursery)
- ✓ Any special comforters your child may need; again please ensure these are named so as to avoid upset in the event it goes missing.
