Safeguarding

At Bell House nursery we are committed to safeguarding the welfare of our children. If we have a safeguarding concern about a child, we will follow our safeguarding procedures and information sharing protocol.

Information sharing between settings.

Where children receive education and care in more than one setting, the Early Years Foundation Stage requires practitioners to share relevant information with each other. This may involve verbal communication or the sharing of developmental records.

I / we understand the above statements and that the nursery will share relevant information with any other settings and outside agencies involved in the education and welfare of my child.

ONLINE PROFILES

We follow the Early Years Foundation Stage, and each child has a learning journey which we complete online. Learning Books is an Electronic Learning Journey which uses a secure handheld tablet to collect not only photographs, but also videos and audio clips as well. These will be linked to the appropriate areas of the EYFS, and we use this to track your child's learning and development. Each room has their own tablet, and the information is stored on a secure server which is encrypted, and password protected, so it can only be accessed by the parents and Bell House staff. Other Children may be pictured in your child's profile from time to time if they take part in events or activities together.

INTRODUCTORY SESSIONS

The nursery offers up to 3 settling in sessions for all nursery children prior to their start date at Bell House; the times and dates for these are mutually agreed with the management team.

SESSIONS:

Your child must attend a minimum of 2 sessions.

REDUCING SESSIONS / HOLIDAY ENTITLEMENT:

When reducing sessions in the Nursery, one month's notice is required. Advance / new bookings that are due to start must give one month's notice if reducing sessions before start date. Failure to do this will result in the full fees for sessions booked in the first instance being paid.

There is no discount for holidays / public holidays / Inset days- fees are payable as for any other week.

INCREASING SESSIONS:

Permanent sessions can be increased at any time subject to availability. Please note that once a booking has been made with the Nursery, either in writing or verbally, and the child's name has been entered into our register these sessions must be paid for even if cancelled at a later stage. Additional sessions can be booked, subject to availability, and must be paid for unless 48 hours' notice of cancellation is given.

SWAPPING SESSIONS:

Unfortunately, we are unable to accommodate the swapping of sessions.

ABSENCE:

Contact should be made as early as possible on any day your child is going to be absent. Staff will call by 10am if a child is absent to log down the reason why. Relevant information regarding illness is always appreciated. Unfortunately, days in lieu cannot be arranged and fees remain payable.

SICKNESS & ACCIDENTS:

It is important to make sure that we are fully informed of any changes in your child's health, such as the onset of allergies or any illness which your child may be suffering from. Should your child become ill or incur an injury whilst in our care, every effort will be made to contact the parent/guardian. Emergency medication may be administered with your written consent (for further information, please see our Administration Medication Policy). If your child is on any prescribed medication an individual Medication Form must be obtained and completed before the medication can be given by us. We ask that if your child develops a doubtful rash, sore throat, discharge from the eyes, diarrhoea or anything else that could be passed on to other children you keep him/her at home for the relevant quarantine period and consult your G.P. We kindly ask parents/carers to inform us if your child has had medication prior to coming into nursery

PERSONAL PROPERTY:

We request that your child has a change of clothing in a named bag whilst in our care in case of an emergency. Whilst every reasonable care is taken the Nursery cannot be held responsible for any loss or damage to a child's property. To prevent any misplaced items, we strongly suggest that all items brought into the Nursery are clearly labelled.

BABYSITTING POLICY:

Any babysitting arrangements (or any other type of arrangements) you make with individual members of Bell House Staff are purely personal. The Nursery has no liability in any way in connection with babysitting and our insurances, policies and procedures do not apply. Please ensure that you sign a copy of our Babysitting policy.

COMPLAINTS PROCEDURE:

The main aim of the care we offer is the safe and happy well-being of your child and his/her development. If for any reason your child is not happy or has a particular problem, please contact Management so that they can resolve the issue. If any parent / guardian should have cause for complaint, please note that we operate a formal Concerns and Complaints Procedure, copies of which can be obtained from reception.

EXCLUSIONS:

Bell House Nursery reserves the right to remove a child where there is a breach of the Terms & Conditions or after the parental behaviour policy along with the 'behaviour management' policy has not been followed. Or where a child is persistently displaying unacceptable behaviour or following a serious incident that could or does result in harm to another child or to a member of staff. Any decision to exclude a child will be made only after notification by the nursery owner to the parent/guardian.

PARENTAL BEHAVIOUR:

The nursery reserves the right to terminate the contract of a child when the manager / director considers the child to be disruptive or displaying inappropriate behaviour. We will not tolerate children, carers or parents speaking to any member of staff using inappropriate language or in a threatening or abusive manner. This may result in the termination of a nursery place. By signing the Terms and Conditions you agree to the Parental behaviour policy.

NURSERY OPENING HOURS & CLOSURE:

The Nursery operates from Monday to Friday 7.00 am – 6.30 pm for 52 weeks per annum (except for Public Holidays). There may be isolated occasions where it will be necessary to close the nursery due to unforeseen circumstances. These will be due to outside influences beyond our control that affect the day to day running of the nursery and do not allow us to meet strict health and safety guidelines (e.g., adverse weather conditions, power failures etc - this list is not exclusive or exhaustive). On such occasions the nursery reserves the right to the charge parents their usual monthly fees, where possible the nursery may decide that they are able to reduce such fees to a percentage only.

BANK HOLIDAYS:

You will be charged the same fees during bank holiday months. This is because our view is that an aggregated fee will be fairer for all those using the service. Our daily fees are therefore reduced to take bank holidays into account.

STAFF TRAINING DAYS:

We are closed twice a year for our staffs training, this is also still charged as per the bank holidays and once again our fees reflect this day of closure to take this into account.

EARLY CLOSURE:

We close at 1pm on Christmas Eve and 4pm on New Year’s Eve and once again our fees reflect this time of closure to take this into account.

DATA PROTECTION:

The **General Data Protection Regulation** (GDPR) is a regulation in EU law on data protection and privacy for all individuals within the European Union. In compliance with current UK Data Protection legislation 2018, any information you provide here will be kept secure and treated confidentially. Please read our Privacy notice on how we store and use our data.

At Bell House nursery we are committed to safeguarding the welfare of our children. If we have a safeguarding concern about a child, we will follow our safeguarding procedures and information sharing protocol, set out by OFSTED and our Local Authority.

Where children receive education and care in more than one setting, the Early Years Foundation Stage requires practitioners to share relevant information with each other. In line with this, we will actively seek opportunities to share information about your child with any other practitioners (Childminders, schools, etc.) who care for your child. This may involve verbal communication or the sharing of developmental records.

All information received by nursery administration will be held in the strictest confidence.

Registration of your child at Bell House Nursery is conditional upon acceptance of these Terms & Conditions and acceptance of our Policies & Procedures.
